

Prerequisite Chart for French as a Second Language, Grades 9–12

This chart maps out all the courses in the discipline and shows the links between courses and the possible prerequisites for them.

Notes

- The prerequisite for Grade 9 Extended French is the elementary Extended French program or the elementary French Immersion program, or equivalent.
- The prerequisite for Grade 9 French Immersion is the elementary French Immersion program, or equivalent.
- Students who have successfully completed elementary Extended French or French Immersion programs and do not wish to pursue further studies in these programs should be considered for advanced placement in the Core French program, if they demonstrate the necessary knowledge and skills.
